RENOVATION INC.

The Pros from start to Finish!

These days, shifts in the rental industry have sent property managers reeling. Trying to stay competitive through building upgrades, repairs and cleaning can seem overwhelming. Between concerns of not going over budget, meeting the needs of tenants and the fear of a high turnover rate, it's easy to feel trapped in a tough market. With fast, reliable, professional service at reasonable rates, **ProFinish Renovation** gives you back the freedom to attract new tenants and keep your existing ones.

From the moment you call us we work to meet your needs, putting together a project schedule that fits seamlessly with the busy demands of your own. Unlike many companies, we provide on time service for any renovation, including on site cleanup after project completion. A **90 day guarantee** on that work gives you peace of mind, and shows our confidence in the expertise we offer.

Our clients put themselves at ease when we take over a renovation project. Our dedication to **fast, reliable, professional** craftsmanship makes for providing everything from high quality building materials, to the coffee that keeps our talented tradesmen working around the clock.

From ceramic and vinyl tiles, to drywall plaster and hardwood flooring, we will **install, renovate, and refinish** from the bathroom all the way to the front door. From carpeting to carpentry, we'll have a team of experts on site to get the job done. If there's a service you need, or a material you need worked in, we'll do it.

We pride ourselves on the reputation that comes with providing skilled work at an affordable rate. With quality and reliability as watchwords, we dedicate ourselves to meeting and exceeding our clients' expectations. Our staff makes your renovation dreams a reality, and your renovation nightmares, a thing of the past.
